

Q&A

Dear Pottery People,

here is the space where you can share your questions regarding your research with the group and our scientific committee, who will be happy to answer you either directly here or during the upcoming meeting. During each meeting, the last 30 mins are a space dedicated to you and your research frustrations. Prof. Dr. Reinhard Bernbeck (Freie Universität Berlin), Dr. Maria Bianca D'Anna (Austrian Archaeological Institute), Dr. Malgorzata Daszkiewicz (Freie Universität Berlin), Dr. Kirsten Gebhard (Freie Universität Berlin), Prof. Dr. Dirk P. Mielke (University of Münster), Dr. Gerwulf Schneider (Freie Universität Berlin) and Prof. Dr. Wolfram Schier (Freie Universität Berlin) will provide assistance with our methodological issues 😊
